EXPERIENCE

2020 – Present

SOFTWARE ENGINEER
Savvas Learning Company

SCRUM Master. Developed new features, created new services and enhanced existing code with a strong focus on performance. Created a lightweight and responsive UI utilizing Angular 12 module federation. Resolved various bugs and issues.

2019 – 2020

WEB DEVELOPER (contract)
Subaru of New England

Managed the software needs for over 100 car dealerships. Built programs for both internal and external facing clients. Detailed collaboration with teams essential to meeting goals.

2018 – 2019

WEB DEVELOPER (contract)
Christian Science Monitor

SCRUM Team: Designed, developed and supported software and web applications for a leading news organization. Collaborated with designers and editors

2017 – 2018

WEB DEVELOPER (contract)
Pure Hockey

Developed software for an e-commerce company. Implemented new features and designs with a strong emphasis on the front end. Worked with vendors to integrate processes and their tools. Role required high level creative thinking and problem solving.

2017

WEB DEVELOPER (freelance)
Harvard University

Created custom web services to export/import stimuli materials into Qualtrics for post doctorate academic studies. Worked with researchers to develop a program to shorten data collection and entry times. Vastly improved efficiency.

2017

FRONT END WEB DEVELOPER (senior intern)
User Interface Engineering

Worked with industry leaders in UX. Developed HTML emails and UIE websites. Assisted in developing a custom CSS framework. Set up hardware and peripherals for conferences.

2014 – 2016

FLIGHT SUPPORT SPECIALIST
Magellan Jets

Managed all night operations of global client base. Responsible for flight-following, weather tracking, aircraft sourcing, mechanical conflict resolution and ensuring FAA compliance.

2011 – 2014

UNIT COORDINATOR: Emergency Department
Partners Healthcare – Newton Wellesley Hospital

Unit coordinator. Able to work under extreme pressure with equanimity. Worked with hospital systems to enter labs, tests and radiology. Worked directly with physician/nursing staff.

EDUCATION

2017
